## WELCOME

Thank you for taking the time in viewing our Annual Bull Sale Catalogue.

Wattlewood has enjoyed another great year with our Angus cattle, with bulls going further afield representing the stud in new herds. It was tremendous to have clients with the confidence to buy bulls sight unseen and trusting what we do at Wattlewood.

Wattlewood Angus has again broken in some heifers for Ben and his friends to learn more about cattle, with safe, quiet animals where these kids worked together washing, drying and leading them while gaining valuable confidence with what would otherwise be an intimidating beast.

We are excited to add some nice females to the herd from other renowned studs to increase our genetic diversity as part of our plan to always be moving forward. We have seen Wattlewood sired steers perform well at the saleyards and in the Lardner Steer Trial and thank the breeders for entering them.

In 2024, Wattlewood has put together 31 well bred future sires for you to consider. The bulls are backed by the “Immune Ready” program with guidelines put together by the cattle industry governing bodies. Along with being vaccinated, the bulls have been semen tested, sire/ parent verified and genotyped assuring our buyers that they are getting “fit to work” sires.

John and Fiona look forward to helping you select your next herd sire and welcome inspections prior to the day or phone calls to answer any questions you may have.

Thank you for your interest and support in the Annual Wattlewood Bull Sale.

## SALE INFORMATION

**Sale Day Information:** All bulls and females will be penned and available for inspection from 1pm. Catering will be available throughout the day, and we will be on hand to answer any questions there may be. Sale will commence at 4pm in the marquee with sale lots being displayed on a big screen and interfaced with AuctionsPlus.

**Inspection:** Sale lots will be available for inspection at our Beef Week Open Day on Saturday 28<sup>th</sup> January at Wattlewood, by appointment (contact Fiona on 0416 216 951) or from 1pm on Sale Day- Thursday 16<sup>th</sup> March..

**Animal Health:** All Sale lots have been tested negative for Pestivirus (BVDV), vaccinated with PestiGard and 7in1. In addition, Bulls have been vaccinated with Vibriovax. Bulls have undergone semen testing by Ian Moreland (Studcare Genetics).

**Farm Biosecurity:** Please adhere to the current Covid Safe rules at the time of the sale. Foot mats will be available upon your arrival, We request that you use these. Thank you.

**AuctionsPlus:** AuctionsPlus is an alternative bidding option if you can't attend the sale in person. Please register your interest in bidding prior to the sale day.

### Auctioneer:

Elders Ryan Bajada

**Freight Assistance:** Wattlewood is offering free delivery up to 200 km of Wattlewood. Destinations beyond this can be negotiated.

**Guarantee:** Any Wattlewood bull that proves infertile, structurally unsound or not capable of service is guaranteed for up to three years from the date of the sale. This guarantee covers the purchase value of the bull without interest, costs or damages. The guarantee shall apply providing the bulls incapacity is not caused by injury or disease contracted since leaving Wattlewood. The value remaining, less the salvage value is calculated on the basis the guarantee is reduced by one third of the purchase price for each year of service from the sale date. This compensation will be in the form of a credit to be used at a future sale. A veterinary report must be provided by the purchaser on request. We recommend all purchasers discuss insurance of their bulls at the sale with Wfi or their agent.

**Insurance:** Wfi's Caroline Shand will be in attendance on Sale Day to assist with insuring your purchase from the fall of the hammer.

**GST:** All lots will be sold exclusive of GST i.e. if the bull is knocked down for \$5000, you will be charged \$5500.

**Rebate:** 2% is offered to outside agents if arranged prior to the sale and settled within 7 days of the invoice being received.

**Catering:** Afternoon tea will be provided, and we welcome you to join us for post-sale refreshments.

**Directions: From Drouin-** travel 27km on the C431 (Westernport Road) towards Lang Lang. Turn right onto Heads Road. Wattlewood is 750mt on the left.

**From Pakenham-** Travel 7km towards Koo Wee Rup on the C422, turn left onto C423 for 8 km, bear left onto C421 for 4.5km. Turn right at Heads Road. Wattlewood is 6.8km on the right.

**From Lang Lang-** Travel 7km on the C431, turn left onto Heads Road. Wattlewood is 750mt on the left.

# NATIONAL HEALTH DECLARATION

## NATIONAL CATTLE HEALTH DECLARATION

V: 24/10/22

Property Identification Code (PIC) of this property  
This MUST be the PIC of the property that  
the stock is being moved from

# DNA SAMPLING SIMPLIFIED

with the  
**ALLFLEX TSU**  
(TISSUE SAMPLING UNITS)

- Easiest way to collect a quality sample
- Vials fit in standard lab well plate (96 vials)
- Efficient and cost effective
- Available with paired NLIS and management tags

ALLFLEX TISSUE SAMPLING UNIT

# DISCLAIMER AND PRIVACY INFORMATION

## Attention Buyer

Animal details included in this catalogue, including but not limited to pedigree, DNA information, Estimated Breeding Values (EBVs) and Index values, are based on information provided by the breeder or owner of the animal. Whilst all reasonable care has been taken to ensure that the information provided in this catalogue was correct at the time of publication, Angus Australia will assume no responsibility for the accuracy or completeness of the information, nor for the outcome (including consequential loss) of any action taken based on this information.

## Parent Verification Suffixes

The animals listed within this catalogue including its pedigree, are displaying a Parent Verification Suffix which indicates the DNA parent verification status that has been conducted on the animal. The Parent Verification Suffixes that will appear at the end of each animal's name.

The suffix displayed at the end of each animal's name indicates the DNA parentage verification that has been conducted by Angus Australia.

PV : both parents have been verified by DNA.

SV : the sire has been verified by DNA.

DV : the dam has been verified by DNA.

# : DNA verification has not been conducted.

E : DNA verification has identified that the sire and/or dam may possibly be incorrect, but this cannot be confirmed conclusively.

## Privacy Information

In order for Angus Australia to process the transfer of a registered animal in this catalogue, the vendor will need to provide certain information to Angus Australia and the buyer consents to the collection and disclosure of that information by Angus Australia in certain circumstances. If the buyer does not wish for his or her information to be stored and disclosed by Angus Australia, the buyer must complete the form included below and forward it to Angus Australia. If the form is not completed, the buyer will be taken to have consented to the disclosure of such information.

### BUYERS OPTION TO OPT OUT OF DISCLOSING PERSONAL INFORMATION TO ANGUS AUSTRALIA

If you do not complete this form, you will be taken to have consented to Angus Australia using your name, address and phone number for the purposes of effecting a change of registration of the animal(s) that you have purchased, maintaining its database and disclosing that information to its members on its website.

I, the buyer of animals with the following idents.....  
.....

from member.....(name) do not consent to Angus Australia using my name, address and phone number for the purposes of effecting a change of registration of the animals I have mentioned above that I have purchased, maintaining its database and disclosing that information to its members on its website.

Name: ..... Signature: .....

Date: .....

Please forward this completed consent form to Angus Australia, 86 Glen Innes Road, Armidale NSW 2350.

If you have any questions or queries regarding any of the above, please contact Angus Australia on (02) 6773 4600 or email office@angusaustralia.com.au
